The main content area displays a table of senders. One sender is listed: "Nutrition Assistant App" with the email address "nutritionassistantapplication@gmail.com". The table has columns for SENDERS, ADDRESS, NICKNAME, VERIFIED, and ACTIONS. The "VERIFIED" column shows a red "X" icon, indicating the sender is not yet verified. A "Create New Sender" button is located in the top right corner. The browser's address bar shows the URL "https://app.sendgrid.com/settings/sender_auth/senders". The Windows taskbar at the bottom shows the time as 12:28 and a notification that the system is "Not connected - No connections are available".
